

Partnership for College and Career Success is a federally-funded grant to support partnerships to develop and implement CTE Programs of Study based on the 81 pathways in the 16 career clusters and to assemble the necessary regional stakeholders and resources to endeavor to transition career pathways students successfully and seamlessly into, through, and out of career and technical education (CTE) Programs of Study and into the workforce. The DuPage Area Partnership for College and Career Success stakeholders include faculty, counselors, and administrators in 26 area high schools, an area career center, and the College of DuPage; DAOES (DuPage Area Occupational Education System); and relevant business and industry partners.
